每个高中生都绕不开的弯！尤其是阅读和写作部分！如何有效的背单词？怎么才能让语法不错或少错？怎么分析阅读题理解文字后面真正的意思？又怎样写出精彩的作文？我们的课程不仅将从理论上教会孩子，而且还会通过实战训练，用真题来模拟考试，以达到实际有效的考试水平的提高。

Every high school student can't get around it! Especially the reading and writing sections! How to memorize effective words? How can I make a good or bad grammar? How to analyze the reading questions and understand the real meaning behind the text? How to write a good composition? Our curriculum will not only teach children in theory, but also through practical training, using real exams to simulate the actual level of the test to achieve effective improvement.
